

**For the third time in a row, a massive result for the CNB Bordeaux 60 at the JP Morgan Round the Island Race !**

June 25, 2011

Osprey of Hamble did it again! After winning her class in division 4a in 2009 and class and division in 2010 (including line honours), this *CNB Bordeaux 60* also included best overall time for all ISC boats (around 900!) in 2011: Simply said, Osprey of Hamble basically won the race outright!

In a strong breeze up to 30 knots and in a big swell, the Osprey crew took the right tactical decisions in order to make the most of their powerful hull designed by Philippe Briand.

Congratulations to Mr Imregi and his brilliant crew!
